

# Crab Shack

ON THE BEACH, TEIGNMOUTH

Now in our 9<sup>th</sup> year of trading,  
the Crab Shack was built off of  
the hard work of the fantastic  
and dedicated local fisherman.

La Vagabond De Mer, Helen  
Claire and Royal Escape have  
been operating out of Teignmouth  
for years, risking the weather  
and high seas in the English  
Channel to bring back the best  
Crab & Lobster available.

Our Crew's promise is to use only  
the best seafood, supplied from as  
many local sources as possible.

We believe in sustainable and  
responsible fishing to protect the seas  
for our children and grandchildren  
to enjoy for the coming years.

From the Crab Boats that land just  
yards away, to the local line caught  
whole fish, our ethos is local, quality  
food, caught, prepared and served  
in a way that preserves and protects  
our planet and local economy.

A Family run business with a  
strong local ethos, our Crew look  
to welcome you and hope that  
you enjoy our Devonish Fish!
